

Marketing Camp Overview :

As marketers, we face a lot of challenges during our work, so MMA decided to relieve stress also in a working motivational environment.

Our Vision

To build a professional marketing community

Our Mission

To build community, networks and to know more about the updates in the Digital Marketing as well as business management fields.

Benefits :

- **Having a break from work stress**
- **Gaining a lot of valuable information in the Digital Marketing, business development and personal development fields and in coping with the working environment.**
- **Gaining experience from positive case studies in companies and individuals.**
